Great New Products To Look Out For!

Infiniti comes to the UK!

INFINITI, as you may be wondering, are a luxury branch of Nissan, much like the Lexus brand is to Toyota. They have long been established in the States and are now making a move to the U.K. For more information on the fantastic Infiniti range including the pictured FX please give us a call!

New MINI Roadster Models!

MINI have released photo's of two new concept models set to appear on our roads in the next two to three years. The cars, dubbed by BMW as "Pocket Porsches" are based on the performance orientated Mini JCW models, putting them in contention with the likes of Audi's TT. So if you are looking for something a little different watch this space!
